

Equipment List – for those under 4 years old

Equipment packs: Please chose 3 items from table A and 2 items from table B

OR 5 items from Table A and 1 from Table B.

If you have one child (under age 4) within your family, you can order one pack of equipment, if you have two or more children (under age 4) within your family, you can order two packs of equipment. (Please only order equipment for under 4 year olds, if you have not ordered from the 4-11 year old list).

All packs come with 10 cones as standard. But you can also order more from the list below.

Please note, equipment may be slightly different than pictured, and if equipment is out of stock, we will choose a suitable alternative or contact you. Also, unless otherwise stated below, only 1 piece of equipment will be provided per box.

Please make sure the equipment you order is suitable for the child’s age.
